

# HERD HEAVEN

The Official Newsletter of the Marshall University Alumni Association

## REMEMBER WHEN...

Do you remember your time as a student? Those early mornings? Those leisurely strolls? The friends? The professors? For many, your college years were a magical time as you transitioned from childhood into adulthood and made friends and enjoyed memories that would last a lifetime. That is why events like Alumni Weekend, Homecoming and other opportunities to return to campus are so important. It is your opportunity to see how much your alma mater has grown. It is your chance to reunite with friends, visit with former professors, and take in everything that helped shape who you are today. With that in mind, we in the Office of Alumni Relations would like to extend an invitation to join us here in a couple of weeks for Alumni Weekend here on campus. Take part in one of our events, catch an early glimpse of The Herd, or just stroll around campus one more time. If you have any questions about the event, contact us at [alumni@marshall.edu](mailto:alumni@marshall.edu) or visit [HerdAlum.com](http://HerdAlum.com). We hope to see you there!
